SWADHAR GREH (SAKTI SADAN) PROGRAMME (PARASPORA REHABILITATION CENTRE FOR WOMEN IN CRISIS)

Sneha Education and Development Society (SEDS) has been implementing Swadhar Greh (Sakṭi Sadan) for the women in difficult situations in Navanagar, Hubli, Dharwad District. 30 women and their children are provided with food, accommodation and water and also, with medical assistance and counseling to overcome their traumatic experiences. Our motive is to reconcile them with their families and to empower them through various vocational trainings. This programme is supported by the Ministry of Women and Child Development, New Delhi. Several women were reunited with their families. Many women were supported with self-employment and other inmates are being imparted skill trainings like tailoring etc.

REHABILITATION OF BEGGARS

Sneha Education and Development Society (SEDS) approach is to provide the services including awareness generation, identification, rehabilitation, provision of medical facilities, counselling, education, skill development and sustainable settlement of persons engaged in begging. We have been running rehabilitation centres in Hubli, Dharwad District and Udupi, Udupi District. 50 to 60 beggars are harvesting in each centre. They are provided with shelter, food, medical facilities, counselling, education, skill development and sustainable settlement.

CHILDLINE PROJECT (NODAL ORGANIZATION)

Sneha Education and Development Society (SEDS) has been acting as "Nodal organization" for Dharwad District under Integrated Child Protection Scheme (ICPS) of Ministry since 1st November 2011 and it operates its activities from Hubli, Dharwad District. It supports one Collaborative and 2 sub-centres in Kundagol and Kalagatagi in effective implementation of Childline services to ensure child rights and their protection.

OPEN SHELTER

Open Shelter activities are reaching on those children who are in need of care & protection. These children are provided with food, clothing and shelter. 3 Contact points are also located in three different parts of the town and Outreach workers keep watch throughout the year. Public of the locality is informing Open Shelter immediately if they find any children helpless. The children also provided skill trainings like Bag making, tailoring, etc. This project is established in the year 2012 and located at Navanagar, Hubli, Dharwad District.

UJJAWALA PROGRAMME

Sneha Education and Development Society (SEDS) has been carried out Ujjawala programme with a financial support of Ministry of Women and Child Development, New Delhi in Hubli, Dharwad District. The project covers four components namely Prevention, Rescue, Rehabilitation and reintegration. 50 women are supported with this project and are provided with the food, clothing and shelter. The victims are also

provided with required medical assistance and counseling. The victims are allowed to stay in the Rehabilitation home till they recover completely from the trauma and feel confident to venture out to take care of themselves. To ensure the same we provide the inmates with regular medical assistance and psychological care in order to help them through their traumatic experiences and regain their faith.

Income Generation Activities (IGA) and Vocational Trainings like such as Tailoring, door Mat Making, Masks Making, Beautician Course, etc. This would facilitate self sustenance in the inmates and empower them.

The home has the following personnel to look after the day to day affairs of the shelter: Project Director, Social Workers, Clinical Psychologist, Clerk cum Accountant, Guards, Part Time Doctor and Psychiatrist.

HOME FOR THE AGED (VIVEKANANDA HOME FOR THE AGED)
